01 - The Colour Palletes

Elegant Whites

Timeless, elegant & effortlessly romantic. A beautiful mix of soft whites, creamy tones & fresh greens for a classic, natural look.

Soft Pastels

Soft, delicate and dreamy. Focusing on blush pinks, buttery creams, pale lilacs and gentle, airy tones for a romantic, understated feel.

Warm Pastels

A little sunshine in flower form! Peachy tones, apricot, soft coral, lilacs, pale blues and warm pinks come together for a romantic palette with a cosy, golden glow.

Colourful

For the colour lovers! A joyful mix of vibrant pinks, punchy oranges, sunny yellows and bold pops of colour for flowers full of personality.

Rustic/Vintage

Natural, relaxed and full of texture. Earthy tones, muted peaches, soft creams, warm terracottas and plenty of seasonal greenery for that effortlessly wild, countryside feel.

Berry Pinks & Burgundy

Rich, romantic and full of depth. Think raspberry pinks, deep berry tones, luxurious burgundy and touches of plum for a bold, beautifully moody palette with a touch of drama.

05 - The Important Bits

Just a few things to know before you choose your flowers!

A little planning goes a long way

Availability is limited for each wedding date, so it's worth booking early to avoid disappointment. Your date is secured once your completed order form has been received and full payment has cleared.

Your flowers, your palette

Choose your favourite colour palette and I'll use this throughout your order to create a lovely, cohesive look. As flowers are seasonal, specific varieties and exact shades can't be guaranteed, but I'll always select the best-quality blooms available.

Collection only

All orders are collected from my workshop which is based in Monmouthshire, with your collection details confirmed once your booking is in place. Please make sure you've arranged suitable transport and somewhere cool to keep your flowers until your wedding.

A quick note on changes & cancellations

As this is a pre-designed collection, changes are limited and must be requested at least 14 days before your wedding. If your plans change, please get in touch as soon as possible. Full details of our cancellation policy and other terms can be found in the full terms and conditions.

Any questions? Just get in touch — I'm always happy to help!
